Regarding transfer of activities from DSE A/S

It is a great pleasure for me to inform you that I, Peder Lomborg, together with my partner Mr. Leif Petersen, have taken over all the activities in relation to test solutions, wire testers and moisture meters for biomass from DSE A/S, Sverigesvej 19, 8700 Horsens, Denmark. All the activities are continued in the company DSE Test Solutions A/S.

The transfer of activities includes all obligations and ongoing activities, in relation to the transferred activities.

All future requests regarding sale, service and support within the three mentioned areas, must be addressed to DSE Test Solutions A/S, where the same employees as before, are ready to service our customers.

Ongoing purchase orders in relation to the three areas, will be transferred to DSE Test Solutions A/S. DSE Test Solutions A/S will continue in the same facilities as before and with the same employees. The change is not expected to have any negative impact either on ongoing or new business.

New Company information:

DSE Test Solutions A/S
Sverigesvej 19
